

St. Angela Merici School
Summer Accelerated Reader Program for ALL Students Entering
Grades 1-7.

Do you want your kids to read more during the summer?
Here's how:

In an effort to promote reading during the summer and give students an opportunity to earn some early AR points, SAM will be opening its doors during the summer allowing students to take AR quizzes. All points earned during the summer will be credited to their 2009-2010 year.

AR is designed to encourage all students of all reading levels to read books of any kind at their grade level or above. The student then takes a quiz and can earn points if they pass with a 70% or higher grade. These points are used for various prizes and incentives. Incentives are prizes that do not cost the student any points but are awarded for achieving that goal. Incentives may include a dress down day, a certificate awarded at the End of Year Award Ceremony, or a library book dedicated to the student. Prizes are items that the student buys with their points. Prizes are various trinkets, small toys, and other items.

All students who participate at any level in the Summer AR Program will receive a tennis shoe pass for the first day of the 2009 – 2010 school year.

Please watch the website for more information.

AR Tips:

You can go to WWW.RENLEARN.COM to see which books are AR books. Once on the web site, go to the first blue tab labeled “Accelerated Reader”, then go to the small print at the bottom right corner labeled “Order Quizzes”. Once there, you can type in a book name and verify if it is a AR book. Another web site is WWW.ARBOOKFIND.COM.

During the month of June and Aug, Wed at 12:30 to 1:30. July will have no testing times.
