

St. Angela Merici's SCRIP Fundraising Now Made Easier

Greetings Everyone,

Now that the fair and first quarter are finished, we can turn our attention back again to using our ordinary every day purchasing power to raise money for SAM. Please find the enclosed order forms and the flyer about holiday specials with Great Lakes SCRIP Center. This year there are two ways to order your SCRIP cards.

First, you can continue to order the cards using the order forms and submit these and your check to Linda Benedetto by Thursday of each week. You can also stop by Linda's office where she can process a credit card transaction if you choose to use this method of payment. After receiving payment Linda will process the order, and submit the order to Great Lakes SCRIP Center. Typically, the orders are ready for pick-up by the following Thursday.

Second, you can enroll online with Great Lakes SCRIP Center (see instructions outlined below) and do your card shopping directly with them. After payment is received, Linda processes the online orders by Thursday of each week and submits them with any traditional orders received that week as well. Again, these orders are typically ready for pick-up by the following Thursday.

Once you are enrolled online, you may actually reload cards that you already have without having to wait for a new one to arrive at St. Angela. This should appeal to those individuals or families that use their cards for everyday purchases at the grocery store, pharmacy, gas station, etc. Thanks ahead of time for all of the support to help SAM raise money.
