

Please take a moment to fill out this brief  
**LUNCH PROGRAM** survey.  
Thank You

Please circle one where necessary.

Has your child commented on this year's menu selections? Yes or No

Were the comments positive or negative?

What has your child said about the wheat pasta, wheat bread & brown rice? \_\_\_\_\_

Do you want your child to eat low fat high fiber meals at school? yes or no

Does your child enjoy foods of different cultures? yes or no

If yes what

foods? \_\_\_\_\_

Do you want only the most popular kid friendly meals to be featured on your hot lunch menu the majority of the month (examples: Hamburgers, Hot Dogs, Tacos, Spaghetti & Meatballs, Red Beans and Rice, Chicken Nuggets, Chicken tenders & Pizza Stix).

Yes or No

What alternative meals would you like your child to eat? \_\_\_\_\_

Do they eat these meals at home? yes or no

Any other  
comments? \_\_\_\_\_

In conclusion many school districts are adjusting their lunch menus to include whole grains and brown rice. Many people would not notice a difference unless it was pointed out to them. We would like your children to benefit from these healthy changes. It takes cooperation to promote change for the better. If you do not want these changes - let us know. Your input is important so please fill out this survey and send it back to school by Wednesday, October 22th.

Thank You!
